EDUCATION

New Horizon College of Engineering
B.E. Computer Science (Data Science)

Expected 2027
CGPA: 9.25/10

Jyothi Nivas PU College

89.83%

TECHNICAL SKILLS

Languages: C++, C, Python, Java

Data & ML: Pandas, NumPy, Scikit-learn, Data Preprocessing, Feature Engineering, EDA

Visualization: Matplotlib, Seaborn, Tableau

Web & APIs: HTML, CSS, REST APIs

Databases: SQL, Supabase

Tools: GitHub, VS Code, Streamlit

EXPERIENCE

AICTE IDEA Lab, New Horizon College of Engineering

2025 – Present

Volunteer & AICTE IDEA Lab Ambassador

- Coordinated a state-level Ideathon involving 100+ participants from multiple institutions.
- Assisted in event planning, registrations, scheduling, and participant engagement activities.
- Supported innovation-focused events and introductory technical sessions for students.

Student Innovation Coordinator

- Supported project planning and review activities for student innovation teams.
- Assisted in organizing technical workshops, mentoring sessions, and innovation events.

PROJECTS

Researcho – AI-Powered Research Assistant

Nov 2025

- Developed an NLP-based application for research paper summarization and semantic search.
- Implemented vector embeddings and similarity search using FAISS.
- Built an interactive Streamlit interface for document exploration and querying.
- Deployed the application on Hugging Face Spaces.

SpendWise – Full-Stack Expense Management System

May 2025

- Developed a full-stack expense management application using ReactJS and Supabase.
- Implemented secure user authentication and real-time database updates.
- Designed a responsive interface for expense tracking and categorization.

Employee Data Analysis & Visualization

Dec 2024

- Performed exploratory data analysis using Python, Pandas, and SQL.
- Identified employee attrition trends and performance insights.
- Built visualizations using Matplotlib and Seaborn.
- Presented data-driven recommendations based on analytical findings.

CERTIFICATION

Python for Data Science, AI and Development – IBM

Mar 2024

ADDITIONAL

Languages: English, Kannada, Hindi (Conversational)

Interests: Data Science, Artificial Intelligence, Tech Communities, Collaborative Projects
